*The Treasure Coast's  
#1 DESTINATION  
FOR LIVE ENTERTAINMENT*

The Sunrise Theatre, listed on the U.S. National Register of Historic Places, is an intimate 1200 seat venue, providing guests both spectacular sound and seating no further than 85 feet from center stage. Beautifully restored in 2006, the Sunrise Theatre is located in the heart of historic Downtown Fort Pierce. The theatre offers guests an evening out with great nearby restaurants and shops, convenient parking, and is within sight of the burgeoning waterfront.

The Sunrise Theatre's commitment to providing affordable ticket prices to a wide variety of outstanding entertainment, children's educational programs, quality programming for seniors, and an array of community outreach events is made possible in part because of memberships, donations, and corporate sponsorships received each season.

With over 100 events per year, there is something for everyone to enjoy, and the friendliest staff among any venue in the region...you're invited to discover the Sunrise Theatre for incredible guest experiences and memories that will last a lifetime.
